BRIEF ABSTRACT OF LETTER.

Resubmits for sanction an estimate for Rs. 560/- for repairing the above temple which had been noted in this office letter No. 15-27 Misc. 148-16-2 dt. 25 Dec. 1916 for want of funds from the State grant of 1916-17 and requests that the same may be sanctd from the State grant of the current year.

NOTES AND ORDERS.

The previous file (Misc. 148-16, Nos. 1 & 2) is put up for repr. Repairs to the extent of Rs. 426 are reported to have already been executed by private persons. From the Treasury certificate enfaced on the estimate it is seen that the funds at the credit of the instr. at the end of

of Septr. 1915 amounted to Rs. 153-10-4. The D.C. has therefore removed his request for meeting the cost of the estimate from the State grant of this year as ~~prop~~ suggested in this office letter of 21st December 1916. The construction of a verandah to the temple for accommodating devotees is stated to be very necessary.

Submd for orders. A promise of some sort has been made and the Deputy Commr says that repairs to this temple is very necessary and is pressing the matter since Aug 1916. Work to the extent of Rs 426 has already been executed to the temple by private enterprise in the way of contribution. May the present estimate for Rs 560 be sanctd from the State grant of the current year? Nearly 1250 Rs is available out of the S. Grant of the C. Year.

The Temple Grove is one of some local importance.

When the Dy. Commissioner submitted the Estimate in Aug 16, he was told that the grant had been exhausted, that the case would be kept in view for the 1919-20 year, and that the Estimate might be included in the next year's list.

Having regard to the wording of the Govt. Comm. No. 879-12-16, I venture to think that the order requested may be considered as the Estimate sanctioned on the current year's allotment.

This is really an awful state of affairs Immediately it was found that a grant could not be made for the month of the year the Dist Chd have been informed of the position & the Estimate considered the following year at least. This method of keeping Expenditure in the Accounts kept for years together is most reprehensible I shd be obliged if the Accounts Dept would kindly have all such cases unearthed & this proceed of without any further delay. & the procedure indicated by me above carefully noted for future guidance.

Joint Secretary to the Government of

His Highness the Maharaja of Mysore,

Luzrai Department, Bangalore.

Sir,

Adverting to your letter C. 1727/Luz 17-18-2 dated 31st December 1917 returning unsanctioned an estimate for Rs. 560/- for repairing the Sri Yoga Narasimhaswami Temple at Ludagere, Hassan Taluk, for grant of fund from the State for the year 1917-18, I have the honor to submit herewith the said estimate for favourable consideration of Government during the current year.

2. From the file of correspondence herein enclosed it will be seen that the temple in question is of some renown being resorted to by a large number of devotees from different places, and that considerable inconvenience is felt by the public for want of suitable accomodation. Repairs to the extent of Rs. 403/- have already been executed by private enterprise and now the construction of a verandah to the temple is proposed. The villagers reports that this is an absolute necessity.

3. In these circumstances, I request that the Government may be pleased to favour sanction to the estimate, the cost being met from the State grant for the current year as already proposed.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Hassan District.
